Hawassa, 26/04/2022

BEMNET ASCHALEW WODAJ

TO WHOM IT MAY CONCERN

This is to certify that **Bemnet Aschalew Wodaj** was a student here at St. D. Comboni Secondary and Preparatory School – Hawassa from the school year 2017/18 when he entered grade 9 until the school year 2020/21. He sat for the Ethiopian Secondary School Leaving Certificate (ESSLC) conducted by NATIONAL EDUCATION ASSESSMENT AND EXAMINATIONS AGENCY in the Sidama Region in November 2021 as a regular student of our school.

St. D. Comboni Secondary and Preparatory School is the only Level 4 recognized secondary school in the whole of Ethiopia Sidama Region, the highest level granted to any school in Ethiopia. The school is recognized nationally as one of the top achieving secondary and preparatory schools with a graduation rate of 100%. In addition, the school is appreciated by the local community for its rigorous discipline.

The school medium of instruction is ENGLISH for all grade levels in all subjects except Amharic. The school follows the Ethiopia Secondary and Preparatory curricula with the addition of Ethical Education which is taught as additional subject as to follow the tradition of the teaching of the Catholic Church.

Bemnet is an extremely clever and focused young man with a keen and sharp mind and an extraordinary potential for formal learning. He shows an ardent interest in all his subjects: his natural talents, combined with his hard-working habit and indefatigable effort and focus, are the reasons for his undeniable great success in academics: among the best students in his class in grades 9, 10, 11 and 12 with an average always around the 90's. Moreover, in the ESSLC examination he obtained the highest marks (636/700) in the Sidama Region and among the best in the whole of Ethiopia.

Bemnet is rather pensive by nature. He shows a maturity far above his age and a strong determination to succeed: he is well aware of the fact that nothing comes in life without hard work and he is ready to make all the necessary sacrifices in order to succeed in life. He is strong and well grounded, with a caring family at his back which follows him with dedication. Bemnet always seeks advice, is always ready to listen and his politeness and respectful approach are faultless.

However, from another point of view, Bemnet is a healthy and normal boy in his late teens: he built some close bonds of friendship with some classmates. During his senior year he was part of the Graduation committee for his batch demonstrating extraordinary leadership skills.

We believe that Bemnet has the qualities of mind and heart to be a great asset for any institution he may choose to join. We wholeheartedly recommend him to your institution and wish him all the best in his future endeavors.

Sincerely,

*Sr. Lucia Disconsi*
